

# TAROT, The Fool's Journey to Enlightenment

Thursday, April 21<sup>st</sup>, 2016

7:00 to 10:00 pm ~ \$25

The Tarot deck was designed for us to see ourselves as we travel through "The Fool's Journey to Enlightenment."

Ruins, Tarot, Crystals, Tea Leaves, I-Ching ... these are some of the most popular "Divination Tools" used by Spiritualists.

A Divination Tool is a blessed way to create communication and understanding between two living souls. The idea is to be clear and request Divine Presence in order to communicate with one another, allowing the tool to assist you in expressing the nature of the energy surrounding that individual.

This is a fun Workshop. We will briefly review the History and Meaning of each card as we begin to explore 'The Fool's Journey' by explaining each Major Arcana card. At the end, you will not only have a better understanding of how it works, but will practice doing 3-Card Spreads on each other.

It's okay to bring your own deck if you prefer;  
But put down the explanation book, this is a Clairvoyant Workshop!
