

UNDERSTANDING FEMALE ENERGY

A Workshop for Males & Females

Thursday, May 19th, 2016

7:00 to 10:00 pm ~ \$25

Why do females talk so much and so fast?
Why do they always ask guys: "What are you doing?"

Why are women always "doing" something;
and why can't they stop doing it until it's perfect?

Why do they always ask their guy: "What's wrong?"
Why are they always trying to "fix" guys?

Why do men squint when they are looking at a group of females?

Why are men and women attracted to,
yet simultaneously repelled by each other?

Why do men still lie to women and think that women don't know?
How do women know when men are lying?

Can men and women be "themselves" together ...
... without hating each other?

Female Secrets Revealed Thursday!
