

# TranceMedium Program, with Cody Edner

From \$1,800.00 / year

**The TranceMedium program is about experiencing oneself as spirit.**

Our natural ability to move in and out of the body, what may have once been our greatest challenge, will become our greatest gift.

The TM program is a 5-year program broken into a couple of stages. The first stage is a 2-year Program; The second stage is a 3-year Program, when we learn to channel and heal using beings.

With full awareness, we will explore expanded realms of consciousness, becoming more and more awake in the limitless, timeless, spaceless dimension of cosmic consciousness.

We will learn to consciously step out of the physical, into the space of creation, bringing back the wisdom of the soul to create real and lasting growth.
