

Past Lives Workshop

Thursday, February 18th, 2016
7:00 to 10:00 pm ~ \$25

Is this a Past Life Regression Workshop? Sort of.

In the Past Lives Workshop "YOU" will be guided into a light trance to look for yourself.

WHY DO WE CARE ABOUT PAST LIVES, ANYWAY?

Looking at your own past life allows you to release the (past) emotional charge attached to the memory.

A good example is someone who is afraid to go into the ocean. Maybe they had a past life where they were devoured by a shark or shipwrecked or even on the Titanic. After the Past Life Reading (either by someone else or looking at it for themselves), they are no longer afraid of the water and can enjoy it.

Past Life Readings are exciting. You can view the architecture ... geology ... and of course ... FASHION!
