

# 2016 OUT-OF-BODY HEALING CLINIC

Hello. An "Out-of-Body Healing" at GOT AURA begins with you sitting across from a healer. There is no physical touching. We are all spiritual beings, living in and expressing ourselves through our physical bodies. Sometimes we could use a little help.

In an Out-of-Body Healing, a trained Spiritual Healer leaves his or her body with the specific purpose of containing their own energy as they enter your physical body by way of your crown chakra, pointing out and assisting you to release that which no longer serves your highest health & wellness. They then completely remove their energy, leaving nothing behind, returning to their own body.

The Healers are Graduates of a 12-Month Clairvoyant Training Program (564 hours dedicated to Clairvoyant spiritual energy training); as well as many years after, dedicated to spiritual wellness in the body ~ give a healing; get a healing.

The OTB Healers are also enrolled in the Trancemedium Program, but will not be channeling at this time.

These Out-of-Body Healings are offered every 3rd Friday of the month, free for your first visit or \$20 thereafter.

from 8:00 to 9:30 pm ~ drop in, first-come, first-served.

Thank you. In spirit, Sharon

Rev. Sharon Cozette
