Ground & Create the life you would like to enjoy in 2017

This 4-Day "SACRED CALENDARING WEEKEND" is an in-depth energy workout. If you have taken the 3-Part GOALS Series, you have already covered: Defining Your Goal; Eliminating Things Which Block Your Goal; and Creating & Blessing Your Goal.

Beyond that is the "Sacred Calendaring Weekend" plus a pre-Friday "Out-of-Body" Healing Clinic. These events allow you to outline each Day of 2017 to match YOUR life, not to force an agenda upon you that goes against your own vibrations. In it, you outline, day by day, where you lose time, energy and opportunities, and instead, form them into powerful timeslots where you can enjoy and attract things to you, which you wish to have ...
... even if it's just "down time" to slouch around.

A Daytimer is included, but if you have a special one, bring it. You will clear your rhythms, patterns, resistances & more on a personal level.

Weekend: \$250 (two Fridays, Saturday & Sunday)
****1/2 Price to previous attendees****

Due to Supplies Needed and Space Limitations, it is necessary to RSVP.
